## BIG DON'TS

- Become Bible study time
- Become lecture time
- Put kids on trial for what they did that day
- Criticize sharing, prayer or questions
- Involves only one-way communication
- Do the same thing all the time
- Too much – Too often, too long, too tiring, too difficult, too boring, too stressful, too uncomfortable, too painful

### Ideas From Pre-Technology Days

- Take turn to read Bible or devotional
- Listen to radio or tape sermon
- Silently repeat what others are praying
- Role play in reading Bible stories
